EDUCATION

Visvesvaraya Technical University

Belgaum

Bachelor of Engineering in Computer Science and Engineering. **CGPA:** 7.9

Sept 2023 – Current

Diamond PU College

Bidar

Board: Department of Pre-University Education. **Percentage:**91.16%

March – 2023

Shantinikethan High School

Bidar

Board: Karnataka Secondary Education Examination Board. **Percentage:**92%

July – 2021

TECHNICAL SKILLS

- Coursework: Operating Systems, Database Management System, Computer Networks.
- Languages: Python, SQL
- Frameworks and Libraries: Express.js, Node.js,Html,Css.
- Tools: Git, Github, VS Code.

PROJECTS

College Chatbot [Github](#) — *Python, Flask, NLP, Machine Learning*

Nov-2025

- Developed an AI-powered chatbot to handle student queries related to admissions, courses, fees, and academic schedules.
- Applied NLP techniques to interpret user intent and generate accurate, context-aware responses to common questions.
- Built a Flask-based REST backend to serve chatbot responses and integrate with a structured FAQ knowledge base.
- Reduced repetitive manual support requests handled by college staff by automating resolution of common queries.

Financial Tracker [Github](#) — *Node.js, Express.js, JWT, Chart.js*

Apr-2026

- Built a full-stack personal finance tracker enabling users to securely register, log in, and manage their expenses.
- Designed RESTful APIs for expense CRUD operations, monthly/category reporting, and per-category budget management.
- Implemented JWT-based authentication with password hashing to secure user accounts and personal data.
- Added a budget alert system flagging categories nearing or exceeding spending limits, plus one-click CSV export.

ACHIEVEMENTS/LEADERSHIP

- Participated in Hackathon which is organized by KIT, Tiptur.
- Secured **KCET 2023 State Rank: 12,224** among engineering aspirants in Karnataka.
- **Oracle Cloud Infrastructure (OCI) 2025 Certified AI Foundations Associate** – Oracle University (*October 2025*).
